

Basic warning device with optical probe

Article information

Item no.: 20223
GTIN: 4026092079362
Price group: 20

Description

Basic warning device with optical probe for non-conductive and conductive liquids, monitoring and signalling of flooding caused by defects in pipes, basement drains or washing machines.

With optical and acoustic alarm signal, integrated battery back-up for alarm, and log book (diary function) for reading out past operating states, connection option for remote signal generator or can be retrofitted with potential-free contact. Cable can be extended up to 30 m.

Control:

Operating voltage:	230 V
Mains frequency:	50 Hz
Protection class control unit:	IP 54
Connection type:	Schuko (earthed contact) 2-pin
Length of mains cable for control unit:	5 m
