

Chamber module LW 1000 ground Access LW 600, 630-879 mm, Class D

Article information

Item no.: 8740007 GTIN: 4026092065228 Price group: 60

Advantages

- For modular assembly with simple connection segments and intermediate sections 250 and 500 mm high
- Innovative honeycomb structure
- Installation in groundwater up to 3000 mm
- Vertically adjustable upper section available in LW 600 and LW 800 from class K 3 to class D
- ideal for scoring up to DN 150
- lift-protected

Description

The chamber module for wet or dry installation is equipped with fitted access steps in accordance with DIN EN 13101 and BGR 177, all the necessary seals and connecting wedges as well as a taper with vertically adjustable upper section. The intermediate sections made of permanently resistant polymer (PE) have universal connection possibilities.

Thanks to the modular KESSEL system, the design can be flexibly combined with intermediate sections, taper, upper section and cover. Installation situation: underground installation

Version:

Note on installation depth:

Delivery state:

A load distribution slab must be installed on site for load class D

Partly for on-site assembly (access steps have been pre-mounted in the factory)

General characteristics:

Colour: Standard: black EN 13598-2

Approval:

Z-42.1-527

1,200 mm
